## Welcome!

Dear DC3 Foundation Friends and Family,

Welcome to the DC3 Foundation Gala Dinner & Auction, "*Lights! Camera! Auction!*" So many business and individuals have supported this charitable event here at Dodge City Community College. By *Supporting a Community - Leaving a Legacy*, each and every person, including YOU, is an integral part of helping the Foundation provide the resources to benefit current and future Conquistadors from all over the world.

When I came to the Foundation in December of 2016, I was met with a mountain of boxes, overwhelming tasks, and incomplete projects. Since that time, the Foundation has created a social media and DC3 website presence, completed a merge with the Endowment Association, has reached out to more and more Conq alumni, and finished projects with the generosity of many donors. We have also developed a proper program of recognition and hospitality for our donors, a partnership with Phi Theta Kappa, a partnership with the DC3 music department, and many more. The scholarship programs are streamlined and communication is at its highest between the Foundation and the College. It is an exciting time to be here! The college has been recognized for the top-in-the-state nursing programs, athletics, faculty accomplishments, technical program successes, and high student academic achievements. And we are still growing!

You are here because you believe in something bigger than yourself. Your attendance and participation this evening will help to make the difference in the scholarship programs of DC3 and the Foundation! Without your dedication to the growth and support of DC3, the Foundation would not be able to do what we do! THANK YOU!

Here at the DC3 Foundation, we are passionate about helping students and DC3. And that is what tonight is all about. But it's also about showing our appreciation to our incredibly amazing donors who help make our philanthropic mission a reality. THANK YOU! Let's have some fun!

With gratitude,

**Christina Haselhorst**  
Foundation Director

## **Live Auction Rules & Procedures**

- Live Auction bidding will begin according to the published Agenda.
- When bidding, please hold up your bid number toward the auctioneer. If a group is bidding on one item, please designate one person to place your combined bid. Auction items will be awarded to one purchaser only.
- A bid acknowledged by the auctioneer is a legal contract to purchase the item. All bids are final and the winning bid is determined by the auctioneer.

## **Silent Auction Rules & Procedures**

- Silent Auction opens per the published Schedule of Events. The Silent Auction will close at various intervals throughout the evening. Closing times will be announced by the Auctioneer.
- The minimum bid for each item is written on the bid sheet by the item as well as bid increments. To be valid, bids must comply with these minimums and be legible. To place a bid, write your bid number with your bid amount on the bid sheet. Doing so constitutes a legal contract to purchase that silent auction item at the price you stated if your bid is the winning bid. PLEASE RAISE THE BID BY NO LESS THAN THE MINIMUM AMOUNT INDICATED OR YOUR BID WILL BE DISQUALIFIED.
- The last (highest) valid bid entered at the moment the section closes will be the winning bid. The item is yours and will be available for pick up or delivery once it is paid for.
- The Auction Committee reserves the right to withdraw any item at any time without notice before the actual sale. In the event of a dispute, the Auction Committee shall act as final authority in determining the winning bid.

## **General Auction Rules & Procedures**

- Upon entering the event, you will receive or confirm your bid number. Please use only the bid number assigned to you for bidding on silent and live auction items.
- All sales are final. There will be no exchanges or refunds unless otherwise noted. All items are "as is." The DC3 Foundation has attempted to describe and catalog items correctly, but neither warrants nor represents and in no event shall be responsible for the correctness of descriptions, genuineness, authorship, provenance or condition of items. Not statement made in this catalog, or made orally at the auction or elsewhere, shall be deemed such a warranty, representation, or assumption of liability.
- The auction item value is an estimate of fair market value. Items have not been appraised unless so noted. The amount you pay above this fair market value estimate is normally tax deductible as a charitable contribution. Please consult your tax adviser to clarify amount of deduction.

# Lights, Camera, Auction!

- Restaurant certificates do not include alcohol, tax, or gratuities unless specified.
- Payment for items purchased must be made in full on the night of the auction to the cashier. The DC3 Foundation accepts cash, MasterCard, Visa, Discover, American Express, or a check made payable to the DCCC Foundation. Please allow 30 minutes after the silent auction bidding has closed before reporting to the cashier. **SALES TAX ON ALL PURCHASES WILL BE COLLECTED AT CHECKOUT.**
- Following payments, you may pick up your purchases in the checkout area. You must show your paid receipt for items to be picked up.
- The purchaser must pick up all items the night of the auction, unless special arrangements are made. Any item left unclaimed, without prior arrangements, will be sold and proceeds will go to the DC3 Foundation.
- The DC3 Foundation reserves the right to add or withdraw items, without notice, to or from the auction.
- Unless otherwise specified, all auction gift certificates must be used within one year of the date of the auction.
- Each person bidding assumes all risks and hazards related to the auction and items obtained at the auction. Each bidder agrees to hold harmless from any liability arising indirectly from the DC3 Foundation, the College, the auctioneer, the auction company and its agents and employees, the event organizers, sponsors, and/or volunteers connected with the auction.

## Tax Information

- This catalog lists the fair market value of each item. Any amount you pay in excess of the fair market value would normally be available to you as a charitable contribution for tax purposes.
